

Inner Harmony Music offers wonderful opportunities to use sound, music, rhythm and an *awareness* of vibrational energy as “tools for the journey” through life. Every *quality of goodness* contributes to the health and well-being of each of us.

We hope you enjoyed today’s event and we invite you to experience *any and all* of Inner Harmony Music’s future concerts and workshops. Your contribution as “Friend of Inner Harmony Music” will insure that these concerts and workshops will continue.

We celebrate the qualities of goodness in *your* “inner harmony” and thank you for contributing to ours. *Every* donation is a blessing to us! May blessings in abundance be yours!
